There are 10 issues a year, each month apart from the December/ January and July/August which are joint issues.

The First advert one off price is the price you pay for the first insertion If you are prepared to commit for 3, 5 or 10 insertions we offer a discount as shown above. Contact us for half and full-page advert prices.

These prices presume that you will pay by direct credit to our bank account and will accept invoicing by email. Should you require us to use post to communicate then there will be an additional charge as a contribution to the additional costs involved. We reserve the right to charge admin fees for recovery of any arrears.

If you wish to advertise you will need to provide appropriate copy, to be received by email no later than the 5th of the month prior to issue. So by 5th January for February copy

Please complete the acceptance form information, with all relevant detail, and ideally email to: - ortonoracle@hotmail.co.uk and make electronic payment to reach our bank before the 5th of the month prior to issue.

Whilst we will try to place the advertisement in the Orton Oracle to meet your requirements this cannot be guaranteed and always subject to editorial review.

NOTES TO ADVERTISERS

Due to printing constraints the sizes shown are approximate. Please submit artwork, preferably to size, in Word file format with any logo or illustration in jpg format or the complete ad in pdf. Please note: if ad is not to the correct size it may lose some quality when it is resized and any copy in this format cannot later be amended. New artwork will need to be supplied. For this reason if you are likely to want to change products, prices or other details then artwork is better supplied in its different components to allow for this. Any complicated artwork required can be undertaken by the publishers but that will incur modest costs for time taken, straightforward artwork will not carry any charge.

As all work is carried out by volunteers, we will endeavour to fulfil all advertising commitments in good faith. However, we cannot guarantee performance where unexpected circumstances prevent production or delay delivery.
